### Description:

Big Blue Book of Bicycle Repair; 3rd edition addresses the most advanced materials and technologies used in today's bicycles, without taking in consideration the basics all bicycle owners need to know to maintain and repair their rides.

Each job is carefully explained in a way that makes sense to a novice mechanic and the experience wrench person. Each repair or maintenance project has easy to follow steps, complete with photographs, examples and helpful tips.

Very complete. The last book of bicycle repairs instructions that you will need.
