## **Description:**

### **About the Author**

Casey Watson is a specialist foster carer. She has been working in this field for six years after giving up her position as a behaviour manager for a local school. During this time she has welcomed 14 difficult to place children into her home.

As a specialist foster carer she works with profoundly damaged children, seeing each child through a specific behavioural modification programme, at the end of which they will hopefully be in the position to be returned either back to their family or into mainstream foster care.

Casey combines fostering with writing, usually late at night when the rest of the family is sleeping.

Casey is married with two grown-up children and three grandchildren.

The name Casey Watson is a pseudonym.
