Description:

Whether it's standing on the podium in Seneca Falls with the Suffragettes or riding on the first subway car beneath New York City in 1907, the books in Joy Hakim's A History of US series weave together exciting stories that bring American history to life. Readers may want to start with *War, Terrible War*, the tragic and bloody account of the Civil War that has been hailed by critics as magnificent. Or *All the People*, brought fully up-to-date in this new edition with a thoughtful and engaging examination of our world after September 11th. No matter which book they read, young people will never think of American history as boring again. Joy Hakim's single, clear voice offers continuity and narrative drama as she shares with a young audience her love of and fascination with the people of the past.

The newest edition of Hakim's celebrated series is now available in an 11-volume set containing revisions and updates to all 10 main volumes and the *Sourcebook and Index*.
