Description:

NOTE : This book is standalone book and will not include access code.

The most successful calculus book of its generation, Jon Rogawski's *Calculus* offers an ideal balance of formal precision and dedicated conceptual focus, helping students build strong computational skills while continually reinforcing the relevance of calculus to their future studies and their lives.

Guided by new author Colin Adams, the new edition stays true to the late Jon Rogawski's refreshing and highly effective approach, while drawing on extensive instructor and student feedback, and Adams' three decades as a calculus teacher and author of math books for general audiences.

W. H. Freeman/Macmillan and WebAssign have partnered to deliver **WebAssign Premium** – a comprehensive and flexible suite of resources for your calculus course. Combining the most widely used online homework platform with the authoritative and interactive content from the textbook, **WebAssign Premium** extends and enhances the classroom experience for instructors and students.
