When I began my organizing business 30 years ago, it was based on four simple words: Clutter is Postponed Decisions®. Few of us (even professional organizing consultants!) ever reach the point of being satisfied with their ability to get rid of clutter as it just seems to keep pouring in. Barbara Tako has done a wonderful job of giving her readers practical suggestions for getting rid of the clutter in their lives. Less is more! -- *Barbara Hemphill Author, Taming the Paper Tiger at Home*
