Description:

Continuing the tradition of excellence in firefighter education, this new, expanded version contains the complete 20 basic chapters, as well as additional chapters including first aid and hazardous materials response to meet all of the requirements for Fire Fighter I and II levels of NFPA 1001® and NFPA 472® and OSHA 1910.120. This overhauled new edition offers a complete support

package and includes updated information on 192 skill sheets, knot and rope requirements, the use of essential job tasks related to the medical requirements in NFPA 1582®, and more! Begin laying the foundation for your firefighting career now with this expanded version.
