## **Description:**

**About the Author** Ann Goering is a four-time award-winning journalist who has worked as a senior editor/writer of magazines, newspapers and online publications since 2005. A theatrical production she wrote was performed on stage in 2005, and she was asked to co-write a screenplay for a Hollywood film in 2009. She works for an international Christian ministry that specializes in relationships and evangelism to children, youth and families around the world. Her involvement in that has given her a heart for the broken, hurting and lost and a desire to see individuals and families operate in healthy relationships. She has her degree in communications and enjoys writing Christian fiction and speaking to groups of women about the love of Jesus. She resides in the Ozark Mountains with her husband, whom she's terribly in love with, their baby girl, Alija, and their fluffy white dog, Sheesha.
