Description:

Review "[After reading In Sheep's Clothing] I am beginning to reclaim my life, find my self-respect and confidence." ---Marc, Virginia

Book Description

Dr. George Simon knows how people push your buttons. Your children--especially teens--are expert at it, as is your mate. A co-worker may quietly undermine your efforts while professing to be helpful, or your boss may prey on your weaknesses. Manipulative people have two goals: to win and to look good doing it. Often those they abuse are only vaguely aware of what is happening to them. In this eye-opening book, you'll also discover...

- * 4 reasons why victims have a hard time leaving abusive relationships
- * Power tactics manipulators use to push their own agendas and justify their behavior
- * Ways to redefine the rules of engagement between you and an abuser
- * How to spot potential weaknesses in your character that can set you up for manipulation.
- * 12 tools for personal empowerment to help you maintain greater strength in all relationships
