## Description:

**The collection of ten absorbing tales by master psychotherapist Irvin D. Yalom uncovers the mysteries, frustrations, pathos, and humor at the heart of the therapeutic encounter.**

In recounting his patients' dilemmas, Yalom not only gives us a rare and enthralling glimpse into their personal desires and motivations but also tells us his own story as he struggles to reconcile his

all-too human responses with his sensibility as a psychiatrist. Not since Freud has an author done so much to clarify what goes on between a psychotherapist and a patient.
