Description:

Futuristic romance. After nuclear strikes cripple the East Coast in the year 2135, security expert Lana is alone with a secret she must protect at all costs, even if it means placing her life - and her heart - in the hands of Brady, the compelling, dangerous leader of the rebellion. As a member of the lower class, Brady serves two masters: the rebellion and the regular army. It will take all his connections and strength to protect Lana and keep from falling in love with her.
