Description:

About the Author Rick DiClemente is not your typical astrologer. Widely known as a “way shower,” he blends math-science and spiritual-psychic ability with empirical knowledge in order to reveal the multi-faceted story in each chart. Rick’s intuitive-astrological readings are like a sit-down with a trusted friend who has your ultimate best interests at heart. At the same time, he brings alive the applied discipline of consulting with the cosmos for timeless wisdom that helps others better understand themselves, their relationships and their lives. Rick has practiced astrology for 35 years,

and has presented numerous lectures, classes and workshops. He makes frequent guest appearances at holistic expos and in the media. Formerly, Rick worked as a documentary filmmaker and computer database manager—both of which inform his work today.
