Description:

About the Author Boni Lonnsburry is a Master Creationist and the author of the book, "The Map: To Our Responsive Universe, Where Dreams Really Do Come True". By applying the Universal Law of Attraction to her own life she transformed poverty, loneliness and despair to abundance, love and joy. She began a company with a \$50 investment and grew it to a \$5million company. Boni also created the love of her life at the age that most people give up hope, and married in 2010. She

transformed her financial life from foreclosure and bankruptcy to abundance beyond even her wildest dreams. --This text refers to an alternate edition.
