Description:

The PowerScore LSAT Logic Games Workbook™ is the ideal companion to the PowerScore Logic Games Bible™, providing an array of tools to help you master LSAT games. First, the book presents multiple drills to reinforce the concepts and approaches learned in the Logic Games Bible, developing your ability to quickly recognize and understand various game rules, situations, and concepts. Next, the Workbook challenges you with a variety of real LSAT Logic Games, including a discussion of the optimal setup for each game, with every rule and important logical inference discussed and diagrammed, and all of the questions answered and explained. (note: to avoid any redundancy, none of the games or drills in this book overlap with any of those that appear in the Logic Games Bible)
